

Rugby Table Tennis Club was formed in the mid-nineties at the request of Lawrence Sheriff School and in collaboration with Rugby Borough Council to help run a Regional and County Table Tennis Centre in Rugby.

The school secured a Sports Council grant of £383,500 through the English Table Tennis Association to establish the school as a specialist centre for table tennis. However, membership is not restricted to pupils from Lawrence Sheriff School - it is open to anyone who would like to play table tennis.

The club is a friendly one with a mixed membership including several family members and is now one of the largest in the county. We all have great fun.

The club is suitable for players of all ability and/or age. Not so long ago an 11 year old paired up with our eldest member - a 75 year old - in a doubles match. They had a great time and won the game! See inside for all the leagues & events players can play in.

The club is supported by Rugby Borough and Warwickshire County Councils and is affiliated to Warwickshire County Association and, as a Premier Club, to the ETTA.
